THIS DECLARATION is made this 1 day of June, 2016, by Chevalia Valley, LLC,

RECITALS:

WHEREAS, Declarant, concurrently herewith, has subdivided, developed and platted Chevalia Valley 2 in the City of Grimes, Polk County, Iowa ("Chevalia Valley 2"), and is the owner of Lots 1 through 32, inclusive, and Outlots M, N, O, P, Q, R, S, T, U, V, W, X and Y (the "Lots" and "Outlots" respectively) in said Chevalia Valley 2; and

NOW, THEREFORE, Declarant hereby publishes and declares that the Lots shall be held, sold and conveyed subject to the following covenants, conditions, easements and restrictions, all of which are for the purpose of enhancing and protecting the value and attractiveness, and desirability of the Lots, and all of which shall run with the land and shall be a burden upon and a benefit to, any and all parties acquiring or owning any right, title or interest in any part of the Lots, and their heirs, successors, assigns, grantees, executors, administrators and devisees.

I. DEFINITIONS

- A. "**City**" shall mean the City of Grimes, Iowa.

F. Words and phrases in this Declaration shall be construed as in the singular or plural number, unless the context permits only one such manner.

II. DESIGNATION OF USE

The use of all Lots shall be limited to single-family residential use with not more than one single-family dwelling on each Lot, and may be developed only with other uses of land or structures customarily incidental and subordinate to the single-family residential use as permitted by the City of Grimes Zoning Ordinance, unless such uses or structures are otherwise regulated or prohibited by this Declaration. No full-time or part-time business activity may be conducted on any Lot or in any building or structure on any Lot, except to the extent of a home occupation permitted by the City of Grimes Zoning Ordinance, and except that home builders may maintain model homes during construction, and Declarant may maintain a sales office during its development and sales of the Lots in Chevalia Valley 2.

III. DESIGN AND CONSTRUCTION

A. In order to preserve the general design for the development of the whole of Chevalia Valley 2, no structure or other improvement, or addition thereto, shall be erected upon any Lot unless the plan, design, building materials and location thereof shall have been first approved by the Declarant or such person or persons designated by the Declarant for this purpose. Approval of such plans shall not be unreasonably withheld.

B. All building structures or improvements of any kind must be completed within 12 months of the commencement date of construction.

C. No building shall be erected on any Lot nearer than the building setback lines as shown on the recorded plat of Chevalia Valley 2.

All driveways shall be constructed of concrete surfacing.

E. All dwellings must be constructed with the minimum of a two-car attached or built-in basement garage.

F. The exterior of any dwelling, garage or outbuilding located on any Lot shall be finished in an earth tone conservative color design that will blend well with the abutting subdivisions. A minimum of twenty-five percent (25%) of the front elevation of the dwelling on each Lot shall be covered with a brick or stone veneer, unless otherwise approved in writing by Declarant or the Executive Committee. All siding must be a 50-year concrete board (commonly referred to as "Hardie Plank" or "James Hardie Siding"), unless otherwise approved in writing by Declarant.

In addition to the foregoing, all areas of exposed concrete, concrete block or tile foundations shall be either painted to blend with the exterior wall finishes, or covered with brick or stone veneer or the equivalent.

G. The pitch of the roof of all dwellings must be a minimum of 4/12, unless otherwise approved in writing by the Declarant or the Executive Committee. All roof material shall be slate, tile, cedar shakes, or composition shingles. Composition shingles shall be architectural grade, with a minimum thirty-year (30) warranty. - (4) In determining the required finished area of any dwelling, a maximum of twenty-five percent (25%) of the finished area of a basement or lower level may be included in total required finished area.

I. Playhouses, utility buildings, storage sheds or other similar structures shall be permitted; provided that the exterior and the roof of any such structure shall be constructed of the same material, have the same color and appearance as the residential dwelling on the same Lot and are located only in rear yards. No such structure shall be located closer than twenty feet (20') from any Lot line, unless the Declarant has specifically approved the structure and location.

J. A dog run shall not be permitted on any Lot unless: (i) it is located at the rear of the house or garage and extends toward the rear of the Lot from that portion of the house or garage which is the closest to the rear Lot line; (ii) it is entirely enclosed with a fence in compliance with Article IV of this Declaration; and (iii) and is screened from public view with landscape plantings or hedges. Any dog house constructed on a Lot shall not exceed twenty (20) square feet in area, shall be constructed of the same material and have the same color and appearance as the residential dwelling, and shall be located in the rear yard of a Lot no closer than twenty (20) feet from any Lot line.

Notwithstanding the foregoing, under circumstances where the topography, conservancy districts, creek slopes or tree cover of a Lot does not make sodding practical, seeding will be allowed. If weather conditions make the time requirement for sodding impossible to comply with, Declarant shall establish a reasonable period of time for compliance.

B. Within thirty (30) days of completion of a dwelling on a Lot, a minimum of two (2) trees must be planted on the Lot having a diameter measuring at least one and one-half inches (1 ½") measured two (2) feet vertically from the ground level. The party purchasing the Lot from the Declarant shall be responsible for planting these trees and cannot transfer said responsibility to party who first occupies the dwelling as a residence.

C. No fences shall be permitted upon any Lot except as follows:

- (1) No fence shall exceed six (6) feet in height and shall be constructed of vinyl, PVC, wrought iron, black aluminum or black vinyl coated chain link. The fence fabric or fence screening material shall be mounted on the exterior face of the fence posts or fence framing.

A. Satellite dishes or parabolic devices in excess of one (1) meter in diameter used to receive television or other signals from satellites shall not be permitted. The satellite dish or parabolic device shall be mounted on the rear elevation of the dwelling or garage, or the rear half of the side elevation only. In no event shall a satellite dish or parabolic device be mounted on the front elevation or the front half of a side elevation.

B. No exterior towers or antennae of any kind shall be constructed, modified or permitted on the ground of any Lot or on any dwelling, garage or other permitted structure. All antennae shall be concealed with the attic space of the dwelling or garage.

C. No light pole shall be used or placed upon any Lot that extends more than ten feet (10') above grade, except those to light a tennis court. All light poles shall be of a residential design and shall be positioned on a Lot in a manner that will avoid direct lighting onto adjoining Lots. In no event shall a light pole be located any closer than twenty feet (20') from any property line.

VI. MISCELLANEOUS RESTRICTIONS

A. No sign of any kind or description shall be placed, exposed to view or permitted to remain on any Lot or any street adjacent thereto, except: (i) street markers, traffic signs and other signs displayed by the City or other governmental units; (ii) signs which have been approved by the Declarant or its authorized agent not exceeding 144 square inches in area upon which there shall only be exhibited the street number or name, or both, of the resident; and (iii) a customary sign (one per Lot) advertising a dwelling for sale, not exceeding 1296 square inches in area. In the event that any sign, other than those described above, shall be placed or exposed to view on any of the Lots restricted hereby, the officers or agents of the Declarant are hereby given the right to enter upon those Lots and remove said signs. Real estate signs by the Declarant will be permitted until such development is completed. Declarant reserves the right to install entrance and directional signs with respect to Chevalia Valley 2, at locations and of design determined by the Declarant, and in a manner consistent with the ordinances of the City.

B. No trash receptacles, garbage cans or recycling bins shall be permitted to be placed outside a dwelling or garage except as is necessary for regular collection.

2. Lot 9 shall be conveyed with Outlot "N".
3. Lot 10 shall be conveyed with Outlot "O".
4. Lot 11 shall be conveyed with Outlot "P".

VII. EASEMENTS

Certain perpetual easements are reserved as shown on the recorded plat of Chevalia Valley 2, and/or as may be granted to the City by the Declarant and filed of record in the Office of the Polk County Recorder. The owner or occupant of a Lot shall, at his/her own expense, keep and preserve that portion of the easement within his/her Lot in good repair and condition, and shall neither erect nor permit erection of any building, structure or fences of any kind within the easement which might interfere in any way with the use of such easement.

VIII. SIDEWALKS

The purchaser of a Lot shall, at the purchaser's expense, install public sidewalks in accordance with specifications of the City upon the earlier of the date the dwelling is built upon the Lot, or within one year of purchase of the Lot from the Declarant.

IX. MAINTENANCE OF LOTS/OUTLOTS AND SURFACE WATER

A. The owner or person in possession of each Lot/Outlot, whether vacant or improved, shall keep the same well maintained, groomed and mowed, free of uncut weeds, rubbish, garbage and debris. Damaged or dead trees and shrubbery will be trimmed out or removed. Failing this, the Owner agrees that upon receipt of written notice from the Declarant to mow or cut such vegetation, trim or remove damaged trees or shrubbery, and/or remove such debris within ten (10) days, the Owner will be subject to a combination of remedies recognized at law or equity.

B. Vegetation in conservancy easements, flowage easements, creek channels, drainage ways and/or timbered areas shall not become overgrown with weeds, but may be planted in ground-cover species appropriate to the topography and land form.

C. The topography of Chevalia Valley 2 is such that surface water may flow from certain Lots/Outlots onto other Lots/Outlots. In regard to all matters concerning surface water, each Lot shall be subject to such easements as may exist for the flowage of surface water under the laws of the State of Iowa, as may be in effect from time to time, and all Owners shall have such rights and obligations with respect thereto as may be provided by such law.

The Declarant's Executive Committee (the "Executive Committee") is hereby established. The Executive Committee shall consist of the Manager or Managers of the Declarant or the designee (s) of such Manager or Managers. One-half of the members of the Committee shall constitute a quorum. A majority vote of the Executive Committee members present (assuming a quorum present) shall be sufficient for Committee action and decision.
